About us

Our Company Established in the Year 2015, we "Ectech" are an outstanding firm that is engaged in the manufacturing a wide range of Temperature Sensor, RTD Pt-100, Stator Winding Thermometer, Bearing Temperature detector (BTD), Thermocouple (J,K,R,S,T), Thermo wells & MI & RTD Cable & Thermocouple Wire (J,K,R,S,T,E,B) etc. Located in Gandhinagar Gujarat India. We are supported by our valuable Customers.

Customers Importance

The Way We Operate Makes It's Quite Clear That We Are a Customer Focused Company. All the Efforts We Put In To Make Our Customers Happy By Offering Them Quality Assured Range Of All Types Of Industrial Temperature Sensors In Competitive Price. We Aim to strengthen our bonds with Our Esteemed Customers by being loyal to them. Regardless of all the situations, we maintain a level Of Transparency in Our Business Deals and Ensure Customer Retention. Moreover, We Treat all Our Clients equally & Delivers the Quality.

FACILITIES

Welding & Brazing
Oxy-Acetylene Set
TIG Welding Machines
Brazing Machine
Spot Welding Machine

TESTING & CALIBRATION

Universal Calibrator
Insulation Resistance Tester
Calibration Baths (Oil & DrY)
(Range : Ambient to 12000C
Universal Digital Controllers
Digital Ohm Meter/Volt Meter
Digital Multimeters

MACHINES

Manual Lathe Machines
Drill Machines
Cutting Machine
Grinding Machines
Polishing Machines
Milling Machine
Curing Oven
Deburring Machine
Labeling Machines

Master Sensors
Mechanical Checks
(Lengths, Vernier Calipers,
Thread Gauges)

THERMOWELL

Products

Flange Type Thermowell

Thermowell Threded Type

Threaded-Thermowell-500x500

Welded Type Thermowell

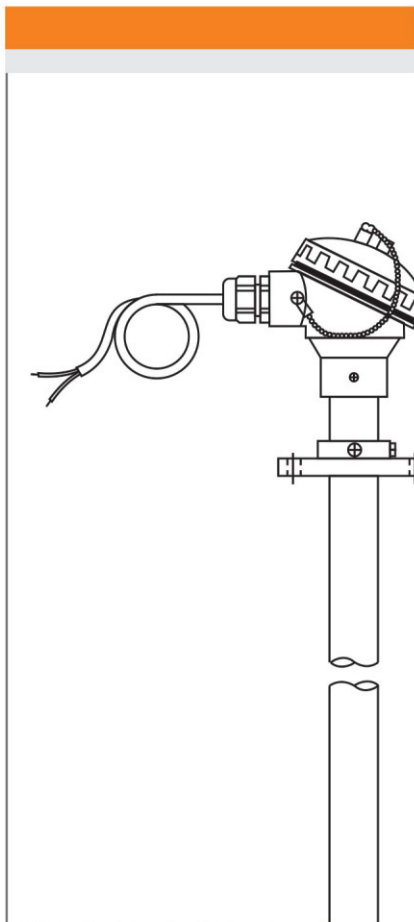

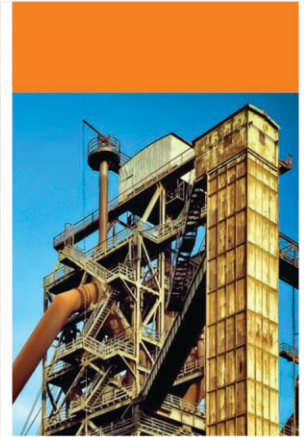

Temperature Sensors

| POWER | METAL | CEMENT | CASTING | FORGING |

APPLICATIONS

- Boilers, Heaters & Generators
- Rolling Mills, Sinter Plants
- Blast Furnaces, Preheaters
- Kiln Applications
- Casting & Heat Furnaces
- Refinery & Petrochemical Plants
- Non-Ferrous Metals
- Road Construction Equipments

Hardened Tip Thermocouple
For Abrasive Application

High Temperature Sensor
(Up To 2000C)

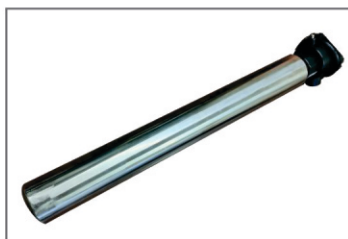

Sensor For Molten Metal

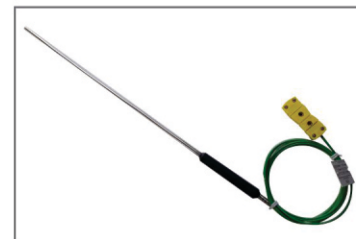

Sensor for Pre Heater

Thermocouple For Boiler

MI With Handle & Connector

We deals In :
Temperature, Pressure, Cables, level, Controller, Recorder, Humidity Sensors & Transmitters

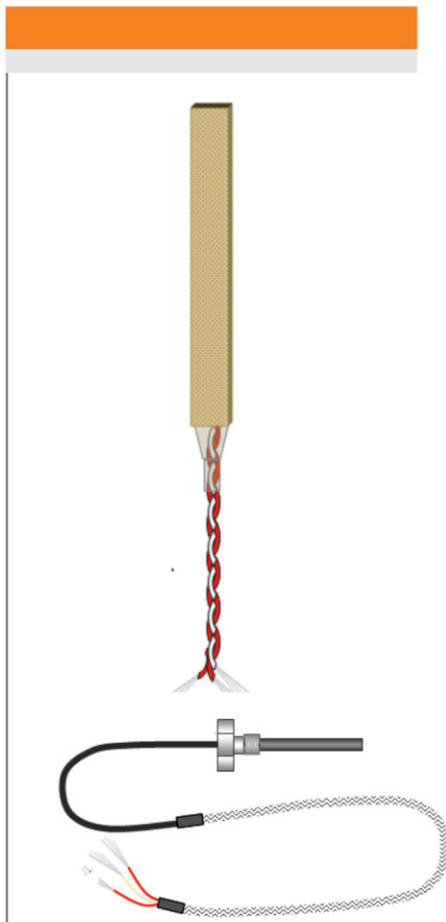

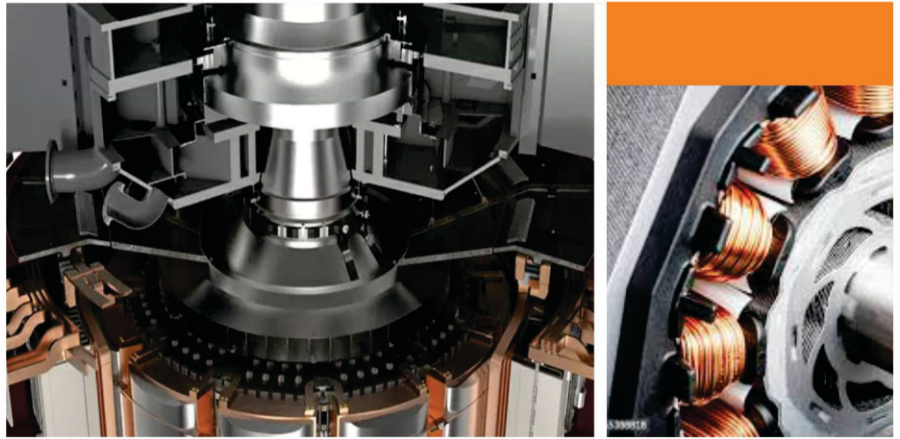

Temperature Sensors

| MOTOR | GENERATORS |

APPLICATIONS

- To Measure the temperature of winding of heavy rotary machine (Motor/Generator)
- To Measure the temperature of bearing of (Motor/Generator)
- Turbine / Motor / Generator / Windmills

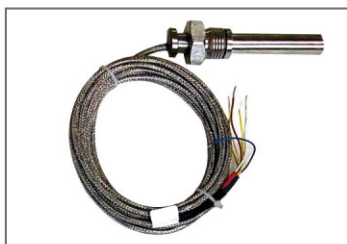

Bayonet Type

Bearing Temp. Detector

BTD'S For Bearing Temperature

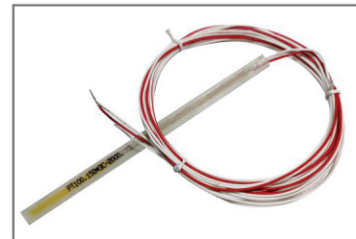

RTD For Steam Turbine

RTD For Transformer.

Winding RTD Slot Type

We deals In :
Temperature, Pressure, Cables, level, Controller, Recorder, Humidity Sensors & Transmitters

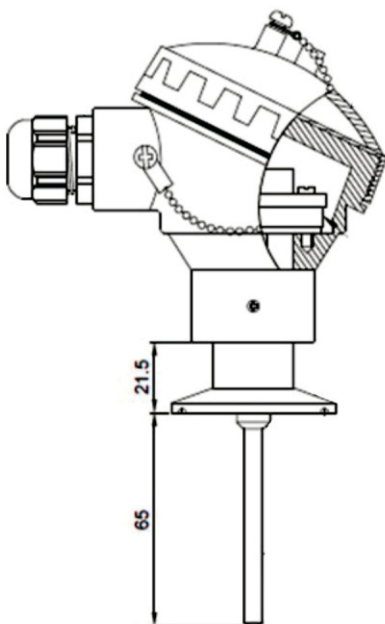

Temperature Sensors

| CHEMICAL | PHARMA | DAIRY | FOOD |

APPLICATIONS

- | Storage Tanks, Vessels, Reactor
- | Oil and Gas Pipelines
- | Water, waste-water Treatment
- | Sanitary Applications
- | Laboratory Testing Equipments
- | Cold storage Industries
- | Autoclave & Tunnel Validation
- | Cleaning & Sterilization Applications
- | Deep Freezing Applications
- | Thermal Mapping
- | Room Temperature Monitoring
- | Pipe line Temperature Measurement

RTD With PTFE Coated Thermowell

RTD For Autoclave

Sanitary RTD,S (2)

Sanitary RTD, S

Triclover Type RTD

Duct Mounted RTD

We deals In :
Temperature, Pressure, Cables, level, Controller, Recorder, Humidity Sensors & Transmitters

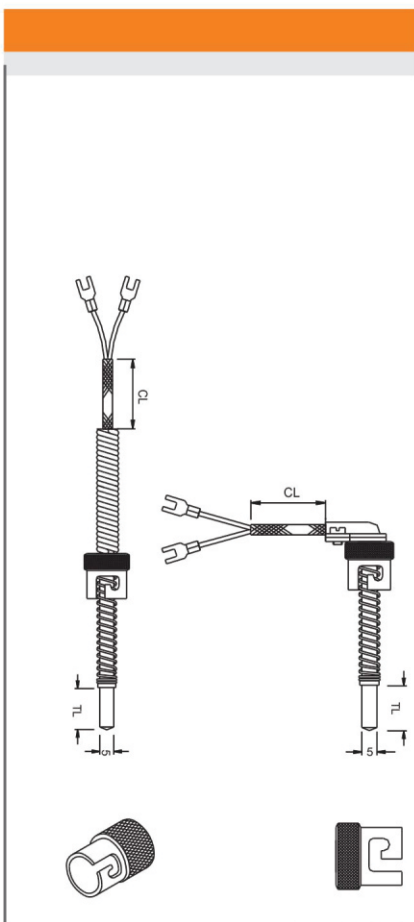

Temperature Sensors

| PLASTIC | PACKAGING |

APPLICATIONS

- Extrusion Plants
- Auxiliary Equipments
- Barrels & Nozzles
- Chillers & Dryers
- Dies & Manifolds
- Packaging Machines
- Hot Runners, Hot Melt, Heat Tracers
- Blow Moulding, Injection Moulding Machine

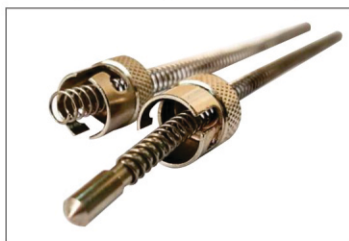

Melt Bolt Type Thermocouple

Bayonet Type Thermocouple

Rotating Holder Type Thermocouple

Rtd With Lemo Connector

Washer Type Thermocouple

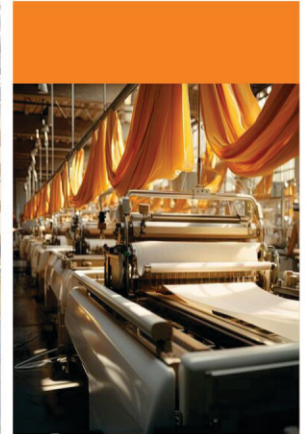

We deals In :
Temperature, Pressure, Cables, level, Controller, Recorder, Humidity Sensors & Transmitters

Temperature Sensors

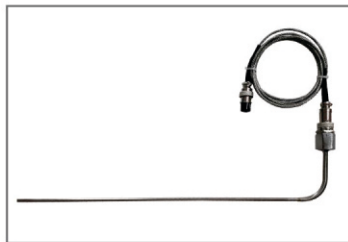

| TEXTILE |

APPLICATIONS

- Machines
- Thermopack, Boilers
- Finishing Machines
- Jet, Jigger, Deka, Yarn Dyeing Machines

MI-RTD-Plug And Socket Type

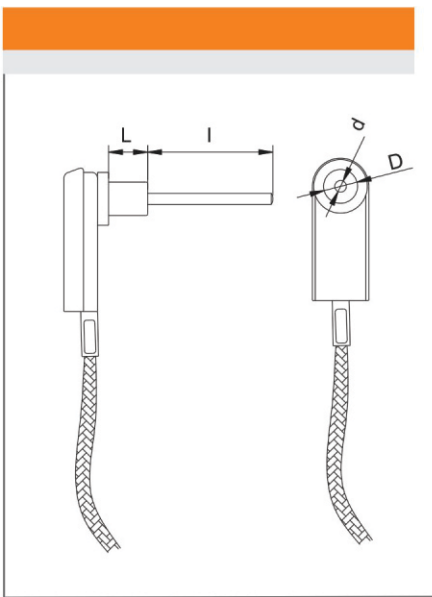

RTD For Printing Machine

RTD For Stentner And Dying Machin

RTD With LEMO Connector

CABLES &

| CONNECTORS |

We deals In :
Temperature, Pressure, Cables, level, Controller, Recorder, Humidity Sensors & Transmitters

Also Available With Us

HUMIDITY SENSORS & TRANSMITTERS

| RTD, THERMOCOUPLE COMP. CABLES, CONNECTORS |

TEMPERATURE CALIBRATION INSTRUMENTS
